

TRANSMITTAL SLIP		DATE 10/24
TO: DTR		
ROOM NO.	BUILDING	2-7 OCT 1958 MB
REMARKS: This letter touches directly on the subject we started discussing in the last Lang. Development Committee meeting - additional languages which should be made awardable, and why. I will undertake to get a reply prepared. All but Tagalog seem warranted

STATINTL

DTR:

[REDACTED] in sending Ballaine's letter to us said, "In commenting to an outside organization on the relative priority of foreign languages, presume we should coordinate with DD/P."

Since we are not commenting on the relative priority of their languages, I see no necessity for coordination.

STATINTL

(The routing sheet covering the information copy to EA-DD/S might so state)
